## UPCOMING EVENTS

Sunrise Open House & Ribbon Cutting Celebration • Thursday, September 1st, 2022  
 NC Peer Support Virtual Conference • Tuesday September 27 & Wednesday, September 28

Sunrise Community for Recovery & Wellness is a Recovery Community Organization (RCO), led and governed by those who have lived experience overcoming substance use and mental health challenges. Sunrise helps fill gaps in systems of care for some of our most vulnerable populations- the houseless, the recently incarcerated, those experiencing mental wellness and substance use challenges and more. We offer opportunities for individuals to discover their own recovery journey through peer support, free services, a pathway to gainful employment as a Peer Support Specialist and resource connection.

Our staff of Certified Peer Support Specialists are the hands and heart of our organization and provide a unique evidence-based connection that helps remove stigma, reduce loneliness and lower rates of incarceration, hospitalization and recidivism.
